

Creative Art Therapy Job Posting

P.A.T.H. Inc. is seeking a Creative Art Therapist to provide group and individual art sessions in our Enrichment Center in Buffalo. Our Enrichment Center is a safe place for lives to be enriched and hope to be restored through therapeutic support. Our clients include women and children who are victims of assault and exploitation. This position is a part-time opening with opportunity for growth and expansion.

Responsibilities: Facilitating art therapy for our children and youth and providing support groups utilizing therapeutic arts. Also providing an art therapy group for adult women who are survivors of assault and exploitation.

Qualifications: Degree in Art Therapy. LCAT and ATR-BC encouraged to apply.

Contact Information: For consideration email a resume and cover letter to info@pathofwny.org.
