Date: 9/19/2017
Program: Snell Farm - South Unit
Location: Bath, NY
Hours: Full time - 40 hours - Day, evening and weekend shifts will be required. Day shifts are 7am-3pm and evening shifts are 3pm-11pm.

Requirements:

The Youth Care Professional I (YCP) performs functions related to the care and treatment of youth, and assists in the development of life and social skills in a residential treatment setting. The YCP I is an adult role model for youth and families in all behaviors, including communication, hygiene, appearance, management of self, response to stress, and in the demonstration of positive relationships with others.

Essential functions of the YCP I include, but are not limited to:

- Demonstrates skills, abilities, and knowledge that promote a safe physical and emotional environment for children and families within the context of their living environment.
- Performs job requirements with regular supervision, and is actively learning new areas of expertise in order to fulfill a wider ranging set of responsibilities.
- May develop, implement, monitor and report on treatment objectives and modalities of the children.
- Recognizes differentiating behaviors, participates within designated treatment teams to develop service and behavior management plans, and, as appropriate, based on skills and experience, executes such plans aimed at assisting children/youth/families to achieve their personal goals and objectives.
- Demonstrates a capability for engaging youth and families in trust-based, productive relationships in order to help children/youth and families prepare for transitions, interact in the community, and promote respect and independence.

Requirements: High school diploma or GED is required. Bachelor's degree in Human Services, Psychology, Sociology or Education is preferred. 1-2 years of experience is preferred. Candidates must have a valid NYS driver's license and must meet agency driving standards.

For consideration, please submit your updated resume and completed application part A to jobs@hillside.com. Our application can be found on our website - <https://www.hillside.com/work/>. Please be sure to also include the job name and number of the position that you are applying for.

Under regular supervision and direction, the Intensive in Home Waiver Service Provider (IIH-WSP) performs functions that assist in the care and treatment of children/youth and families and assisting children/youth to develop life and social skills in a community based setting and in establishing a safe physical and emotional environment for children/youth and families in care. Specifically, the IIH-WSP reinforces desired cognitive and behavioral changes to prevent crises and to support the emotional well-being of the child and family. Strategies are designed to be sensitive to the family's culture and values and may include: anger management, socialization (issues/dynamics as opposed to functional social skills), psycho-education, post crisis de-briefing, reinforcing the integration of safety plans in the home, teaching parenting skills, providing support in emotional self-regulation in situational contexts, encouraging supportive sibling relationships with the Waiver child, developing healthy coping mechanisms, etc. The person in this role will be based out of our Lockport office and will serve families in Niagara and Orleans counties.

Responsibilities include, but are not limited to:

- Supporting, guiding, mentoring, coaching and reinforcing the child in successful functioning in the home or community.
- Providing planned short-term relief for family/caregivers, through direct care of the child, in order to support the family/caregivers in their capacity to nurture the child.
- Proactively maintains current knowledge of the children/youth/families emotional/behavior status, assesses the effectiveness of service plans, and supports children/youth/families interactions with family and local community.
- Provides reports on progress on goals and partners with the Care Coordinator to routinely update the IHP.
- Provide on-call support on rotation where immediate, short-term interventions can be provided over the phone and in person. This may include assessment, consultation, facilitating the safety plan's interventions and referral wherever and whenever necessary on a 24 hour/7 day a week basis.

Requirements: Master's degree in social work, psychology, sociology, counseling education or a related human services area of study and 2 years of relevant experience working directly with children with mental health, substance abuse and or developmental disabilities is required. Candidates must have a valid NYS driver's license and must meet agency driving and insurance standards.

Requirements:

Hillside Children's Center has an immediate opening for a Bilingual Spanish Care Manager for the Children's Health Homes program in Jamestown, NY! This is a full time, 40 hour per week position. Work hours are flexible; some evening and weekend hours will be required. Hillside is offering a \$1,500 sign on bonus for this position! A Health Home is a care management service model whereby all of an individual's caregivers communicate with one another so that all of a patient's needs are addressed in a comprehensive manner. All the services and partners are considered collectively as the "Health Home."

This position will deliver the six core health home services in a manner consistent with the Children's Health Home of Upstate NY (CHHUNY) Care Management model. This includes convening the care team and facilitating a familydriven and youth guided process to develop and implement the service plan. The Care Manager will support and coach caregivers as they navigate the multiple complex child serving systems. The Care Manager will also work with families to plan for transitions, secure culturally relevant services, implement health promotion and recovery oriented practices, and utilize proactive deescalating responses to disruptive behavior.

Care Manager responsibilities include, but not limited to:

- Responds to all referrals and begins outreach by working actively with the referring entity to engage the individual and convene the care team.
- Screens, and where applicable, conducts the appropriate comprehensive assessment within the stated required time frames to guide ongoing service delivery.
- Provides coaching and care management service to develop a comprehensive care plan in collaboration with the individual, family, natural supports and identified community agencies.
- Effectively identifies and uses available resources using current knowledge and awareness of agency and community services, and assumes an influential role in building recommended service options.
- Acts as an advocate and broker for individuals and families in making referrals to agency services and community programs, and supports linkage.

Requirements:

- Bilingual in Spanish (read, write and speak)
- Bachelor's degree in the human service field (sociology, psychology, social work, nursing, counseling, human services, etc)
- At least Two (2) years' experience working with children/families in the human service field

Filtered by Region: Western

Hillside Family of Agencies Employment Listings

*A candidate with a Master's degree in a human service related field of study and at least 1 year of relevant experience may also be considered. Candidates must have a valid NYS Driver's License and must meet agency driving and insurance standards.

Resumes can be sent to Melissa O'Neill, moneill@hillside.com.

Record # : 9254
Position: HOMEFINDING SPECIALIST I
Affiliate: Hillside Children's Center
Region: Western
Date: 8/28/2017
Program: Therapeutic Foster Care
Location: Mobile position - Requires travel to Hillside's Western Region offices.
Hours: Full time - 40 hours - flexible hours.

Requirements:

Hillside's Therapeutic Foster Care program has an opening for a full time Home Finding Specialist (mobile worker) to work with our team in Western, NY! The person in this role will not be based in one specific location, and will be required to travel to our different Western Region offices in Warsaw, Lockport, Buffalo, West Seneca, Batavia and Mt. Morris.

The Home Finding Specialist is responsible for ensuring that there is a core group of certified professional foster and potential adoptive parents who sufficiently meet the service needs of the agency, and who can be called upon as agency needs arise. The Home Finding Specialist is also responsible for ensuring that there is an effective, timely, and responsive communication plan in place to respond to these needs. The person in this role will have a focus on Foster and Adoptive parent recruitment, inquiries and processing of applicants.

Other responsibilities include, but are not limited to:

- Conduct ongoing recruitment for a diverse group of potential adoptive and foster parents.
- Assist in the development and implementation of initial and ongoing training of foster parents.
- Monitor foster parent attendance at trainings, and develop a remedial plan of action if foster parent's attendance does not meet requirements.
- Interact with families in both individual and support group settings.
- Certifies and re-certifies parents in accordance with agency and applicable certification requirements.
- Sets up respites on a daily basis and is a liaison to programs for respite foster care.
- Work flexible hours as determined by service needs, and is available for rotating on call coverage.

Record # : 9431
Position: CARE MANAGER II
Affiliate: Hillside Children's Center
Region: Western
Date: 8/28/2017
Program: Children's Health Homes
Location: Warsaw, NY
Hours: Full time - 40 hours - Hours are flexible and are based on program and client needs. Evening and weekend hours may be required.

Requirements:

The Care Manager II for Children's Health Homes will deliver the six core health home services in a manner consistent with the Children's Health Home of Upstate NY (CHHUNY) Care Management model. This includes convening the care team and facilitating a family-driven and youth guided process to develop and implement the service plan. The Care Manager will support and coach caregivers as they navigate the multiple complex child serving systems. The Care Manager will also work with families to plan for transitions, secure culturally relevant services, implement health promotion and recovery oriented practices, and utilize proactive deescalating responses to disruptive behavior.

Care Manager responsibilities include, but not limited to:

- Responds to all referrals and begins outreach by working actively with the referring entity to engage the individual and convene the care team.
- Screens, and where applicable, conducts the appropriate comprehensive assessment within the stated required time frames to guide ongoing service delivery.
- Provides coaching and care management service to develop a comprehensive care plan in collaboration with the individual, family, natural supports and identified community agencies.
- Effectively identifies and uses available resources using current knowledge and awareness of agency and community services, and assumes an influential role in building recommended service options.
- Acts as an advocate and broker for individuals and families in making referrals to agency services and community programs, and supports linkage.

Requirements: Bachelor's degree in the human service field (sociology, psychology, social work, nursing, counseling, human services, etc) and 2 or more years of experience working with children/families in the human service field is required. A candidate with 5 or more years of relevant home health/human service experience is preferred. A candidate with a Master's degree in a human service related field of study and at least 1 year of relevant experience may also be considered. Candidates must have a valid NYS Driver's License and must meet agency driving and insurance standards.

Position: CARE COORDINATOR II - HEALTH CARE INTEGRATOR
Affiliate: Hillside Children's Center
Region: Western
Date: 8/28/2017
Program: Bridges to Health (B2H)
Location: Buffalo, NY
Hours: Full time - 40 hours per week

Requirements:

The Care Coordinator II (CC II) has primary responsibility for the health care coordination of assigned youth and families as well as administration of the Individual Health Plan (IHP). The CC II/Health Care Integrator provides the service of Health Care Integration through which the Individualized Health Plan (IHP) is created and managed. Responsibilities include, but are not limited to:

- Assess the need for services.
 - Develop and update the IHP, and link the child and family/care giver to the identified services.
 - Consult with the child and care giver on the appropriate provision of services.
 - Stabilize the environment for the child and care giver, and advocate for the child's needs.
 - Coordinate team meetings, coordinate the constellation of services and providers to meet specific needs of each enrolled child; and participate in overall quality management of the Bridges to Health (B2H) Waiver Program.
- Required: The minimum qualifications for a Care Coordinator II are a Bachelor's degree in Social Work, Psychology, or other human services related field of study and a minimum of 4 years of experience providing service coordination and information, linkages, and referrals for community-based services to children with special needs, individuals with disabilities, or seniors. Candidates with a Master's degree and 1 year of relevant experience may also be considered. All candidates must have a valid NYS Driver's License and must meet agency driving and insurance standards.
