We are the largest non-defense vendor serving the U.S. Department of Veteran Affairs, Department of Defense, and other government branches. We've been the VA's primary medicine supplier for veteran's hospitals and the department's mail-order pharmacies since 2004 and are the third largest federal contractor. We're proud to be the only national distributor serving the entire continuum of healthcare, with **nearly 10% of our hires having served our country.**

OUR WORK CULTURE

We touch the lives of patients in virtually every aspect of healthcare. McKesson provides supplies and equipment to physicians' offices, home care agencies, long-term care facilities and surgery centers. We partner with payers, hospitals, physician offices, pharmacies, pharmaceutical companies and others across the spectrum of care to build healthier organizations that deliver better care to patients in every setting.

We offer our employees:
