	<b>CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.</b>
	<b>Job Opportunity</b>

**Title:** **Mechanic B L1-2 [MIN - \$26.31/MAX - \$42.32]**

**Department:** Steam Operations

**Job Posting Number:** W170173

**Qualifications:**

The successful candidate must possess a high school diploma/GED with five years relevant work experience with power plant or equivalent components (boilers, turbines, pumps, motors, piping systems, etc). Additional consideration will be given to industry related certifications; an Associate's or a Bachelor's degree with a minimum of three years of relevant experience in the physical installation, repair, maintenance, replacement, testing or inspection of power plant equipment. The candidate must have the ability to install, repair and align equipment, as well as the ability to read schematic drawings and engineering prints. The candidate must possess knowledge of mechanical equipment and rotating machinery and have experience in the use of precision measuring tools. Additional skills such as welding (GTAW, TIG, SMAW) and machining are preferred. The work location is: Manhattan, NY

**Physical Requirements:**

The selected candidate must be able to perform heavy manual labor (push, pull and lift 45-60 lbs.), be able to work in a power plant environment (i.e. walking, climbing, standing, working at high elevations, and in confined spaces) and must be medically qualified to wear a respirator. Candidate must have a valid driver's license.
