

At Coastal Staffing, we have numerous **NEW** positions available, located in **South Buffalo(NY)**.

Our client is continually growing, seeking multiple seasonal workers that can become temp-to-permanent for the right people! These positions are partnering with a company that manufactures HVAC equipment (working with metals).

***About the Position:***

- 1st Shift (530AM - 4PM) available
- 2nd Shift (4PM-230AM) available
- Monday through Friday work week
- There will be some required OT Saturdays as well
- \$11.50 – 14 / Hourly
- **POTENTIAL TO EARN AWESOME \$\$\$ WITH OT!**

***Job Specifics:***

- Assemble metal and foam based parts for radiators
- Cut foam and plastic parts for installations
- Working with measuring equipment and hand tools
- Skilled positions could include operating a CNC Brake Press, Spot Welding, Harness Wiring, and/or Soldering/Brazing
- **Also an immediate need for a 2nd shift Paintline / Powder Coater**

***Why Should you be Interested?:***

- Long term temporary role, with the potential of permanent hire!
- Medical benefits available
- Excellent training program (learn skilled trades and grow with the company)

***Requirements:***

- Strong motivation / ambition to learn
- Ability to lift up to 50 pounds unassisted
- High School Diploma or Equivalent
- The position is subject to pre-employment screenings such as a drug screen and breath alcohol test
