

Algonquin Sports for Kids: Program Manager

Algonquin Sports for Kids is a 501(c)(3) non-profit organization with a dedicated approach to the development of youth sports programs in the City of Buffalo. We believe that the investment of time and resources into community-based programs like ours are powerful weapons in the fight against juvenile delinquency, childhood obesity, and our country's persistent high school drop-out crisis.

We are in search of a full-time Program Manager to help support our growing organization. The Program manager will schedule and manage all sports based youth development programs, recruit staff and oversee coach training, be the link between Executive Director and program staff, and ensure all programs are successfully achieving results for the players.

The successful candidate will have 3+ years of programming experience in a youth-based organization. Experience working in urban communities is strongly preferred. Exceptional verbal and written communication skills, organizational skills, and a positive attitude is required.

For consideration, please e-mail a cover letter and resume to Anna-Lesa Calvert at calvert@algonquinsports.org.

Algonquin Sports for Kids is an Equal Opportunity employer.
