### Join us and unlock your potential.

Our Contact Center teams are made up of some of our most knowledgeable employees. They share their expertise in bank products, policies, and procedures with our clients. For that reason, the Contact Center has become a career launch pad for those who seek to expand their experience and influence within the bank. We offer a comprehensive training program that includes classroom instruction, observation, and “buddy” calls to help build your knowledge and ensure your success. We are fully committed to creating a work environment where our employees pursue personal and professional growth and can be proud of the work they do.

### Why Key?

#### Results are rewarded and growth is encouraged.

You can build a career and have the flexibility to explore opportunities within our Contact Center and throughout the organization.

#### We invest in our employees.

We offer competitive starting rates, a shift differential, enhanced pay for our Weekend Warrior program, generous paid time off, education assistance, and more.

#### Diversity and inclusion are valued.

High performing teams that are innovative, diverse, practice inclusion, and leverage differences can help shape a better future.

#### We have a strong sense of community.

Together, we have a strong sense of community where each of us has the opportunity for personal growth and to do work that truly matters in the communities that we work in and are proud to call home.
