

Food Manufacturing Technician

90 Hour Course (Completed in 1 Month)

Immediate Employment Following Program Completion!

HOW TO START

Your first step is to attend a FREE orientation session at the Workforce Development Center. The WDC is located on the corner of Walden and Harlem at 1526 Walden Avenue in Cheektowaga. At orientation, you'll learn about the program, funding opportunities, and you'll take a test in basic math and reading. Orientations run most Fridays at 9:00 am and on some Thursdays at 5:00 pm.

PROGRAM DESCRIPTION

- Upon completion of this course, you will have the skills and credentials to work in the food manufacturing industry.
- Instruction will include: OSHA 10 for General Industry, USDA training in Foodborne Illness and Pathogens, Good Manufacturing Procedures (GMP), Personal Hygiene, Handling of Products, Cross Contamination, Batching and Formulation of Products, Packaging, Temperatures and Proper Storage, Hazard Analysis and Critical Control Points, Seven Principles (HACCP), Trade Math, Quality Control, Weights and Measurements and Manufacturing Execution Systems (MES).

COST

The cost of the program is \$1,000. **Grants available for most people!**

EMPLOYMENT OUTLOOK

Upon successful completion, you will be given the opportunity to be interviewed by a Rosina staff member for potential employment. The starting wage for Food Manufacturing Technicians is \$12.50/hour with shift differentials for second and third shift. A Placement Specialist is on staff to assist you with resume writing and interview skills.

*Exceptions to admission scores may be considered based on work history, prior education, personal interview, and employer recommendations.
